HEY THERE, LEGACY-MINDED LEADER!

Thank you for using Black Girl College Prep's free college resources!

This resource will help you maintain organization throughout your college search and experience.

Remember that the greater your level of organization, the easier this process will be.

The College Fair Questionnaire is designed to help you make the best decision for your college application process. You will not be able to ask all these questions, but they are to give you a start. Pick a couple of them. The reps will share some information, so maybe ask questions based on what they don't share.

Remember to ask questions that align with your interests and priorities to help you make a well-informed decision about which college best fits you.
